

By-passing Door Sets  
**Top Line Grant 72-118**  
 up to 150 lbs/door (68 kg/door), double track  
 for door thickness 1 1/8" (28.6 mm), side mount, adjustable

**Top Line Grant 72-118**

A medium duty commercial and residential grade sliding door hardware series ideal for by-passing installations. Applications include doors between rooms, closet doors, cabinets, storage walls, and partitions.

- For 1 1/8" doors weighing up to 150 lbs (68 kg), optional nylon wheel carrier up to 100 lbs (45 kg)
- High quality precision ball-bearing wheels for quiet and effortless performance
- Heavy duty aluminum Double I-beam track; jump proof design
- Pivoting rocker arms ensure track-carrier contact.
- Ball and socket suspension compensates for minor header misalignment.
- Lock nut guarantees permanent positioning.
- Serrations in apron permit vertical adjustment.
- Conforms to ANSI/BHMA standards, Grade 1
- Made in USA
